*Distribution & Service*

*Fitness Club 24 is one of the biggest companies in Easter Europe that equips fitness clubs from A to Z. Our broad offer allows us to adjust to each client separately with brand new or refurbished equipment.*

*Fitness Club 24 was established in 2008 and thru last 10 years it got 10 times bigger.*

*Since we do not only sell equipment but also run own gym chain we do have a know-how to operate each gym. So far we have fully supplied hundreds of clubs and delivered our goods across the world.*

*Our warehouse is over 10 000 m<sup>2</sup> and is filled with machines, accessories, lockers and utilities. Brand new, refurbished or just as is equipment can be found here.*

*We hire around 100 highly qualified people. Every single person is responsible for the success of the whole organization. Our employees put a lot of effort into satisfaction of our clients. We have a division in Germany and that allows us to provide the pre and aftersales service in Germany.*

*Having all departments in one location improved our efficiency and helped to reduce the time required to handle the orders.*
